Understanding Passport Making Charges in Andheri

Passport charges in India are regulated by the Ministry of External Affairs (MEA). The fees vary depending on the type of passport application, the number of pages in the booklet, and whether you choose normal or Tatkal processing.

For a standard adult passport with 36 pages, the government fee is generally ₹1,500, while a 60-page passport booklet costs ₹2,000. Minor passports and special categories may have different fee structures.

Apart from government fees, applicants may also choose professional passport assistance services for document verification, application form filling, appointment booking, and complete passport support.

Fresh Passport Application Charges

Individuals applying for a passport for the first time need to pay the prescribed government fee based on the passport booklet selected.

Typical charges include:

- * 36 Pages Passport Booklet – ₹1,500
- * 60 Pages Passport Booklet – ₹2,000
- * Minor Passport – ₹1,000

These charges are subject to changes as per government notifications, so applicants should always verify the latest fee structure before submitting their application.

The Tatkal scheme is designed for applicants who require urgent passport processing. Under this facility, an additional Tatkal fee is charged along with the normal passport application fee.

The renewal charges are generally similar to fresh passport fees for standard reissue applications.

Additional charges may apply in cases involving lost, damaged, or stolen passports.
